

Submit an End-Term Review Request

To submit a request for end-term review, follow these steps:

1. Log in to the system.

- To submit an end-term review request, the user type must be a domestic industry that participated in the main investigation.

2. Then from **My List**  choose the required case link.
3. From the **Main Page for Case**, click, the **Submitting End-Term Review Request**  will be activated.
4. Enter the name of the **Product**: Enter an appropriate description of the product subject of investigation.
5. Click **Send**.
6. After clicking **Send**, you will be directed to **My List** , and then follow the same steps for submitting a protection request.

- To submit a request for end-term review, please review the user guide “Submitting a request for safeguard, anti-dumping and anti-subsidy measures” on the directorate’s home page.
